# POSTAL SIZING CHART

- 1 // NECK Measure around the base of the neck.
- 2 // CHEST Measure around the fullest part of your chest. Keep tape up under the arms, across the shoulder blades.
- 3 // SLEEVE Measure from the nape of the neck, over the shoulder to the wrist bone, to desired length. If you have a similar shirt you like, lay it flat and measure from collar seam to cuff. For Outerwear, measure sleeve from collar to wrist.
- 4 // WAIST Measure around waist, two fingers below belly button. Measure over shirt, but not over slacks or belt.
- 5 // HIP Measure at the fullest part of hips. Make sure tape is comfortable and not too tight.
- 6 // INSEAM Measure from the crotch along leg inseam to desired length. Wear the shoes intended to be worn with the pants. If you have a similar pair of well fitting pants, lay them flat, measure along the inseam from crotch to bottom of hem.
